

SANCHIT SAINI

Jaipur, Rajasthan, 8290973326 , sanchitsaini46@gmail.com

SUMMARY

Aspiring Web Developer and Computer Science undergraduate passionate about building full-stack applications and solving real-world problems using code. I love building real-world projects. I am very comfortable with HTML, CSS, and JavaScript. I have interest in solving DSA problems and improving logic-building skills. Looking to contribute my skills in a dynamic organization while continuously learning and growing.
